

# Eta Echoes

March 2023

Here's to sunny, bright days ahead as we move into spring. Our chapter has been busy through the fall and winter months, and we certainly look forward to sunshine and warm breezes. I am always impressed with the generosity and hard work of our Eta sisters, and I appreciate all the work that goes on behind the scenes to keep the DKG machine running smoothly, especially between our meetings. In October at Hospice of the Panhandle, our sisters arranged for a wonderful brunch and beautifully decorated the facility to showcase our work. The literacy committee collected over 200 children's books and then distributed them to the three counties. In December, Ruth and Rachel opened their home for our Christmas tea, and it was a joy to be in fellowship with all of you. Again, the outpouring of love from our sisters for our communities was a blessing with the numerous toys and gifts collected for The Empowerment Center and for the RAPP program; the generosity was just astonishing, making me proud to be a part of this organization. Continue your determination and sharing your knowledge and growth with the world!
