

Eta Echoes

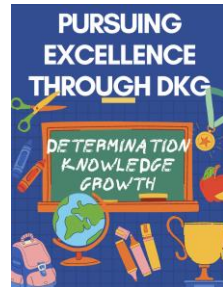

October 2022

How wonderful it was to meet and see each other in person at our last meeting! I appreciate your patience and grace with me as I muddled through my first meeting. I also want to thank all of you for your help before, during, and after the meeting to make everything run smoothly. My goodness - we are blessed with such dedicated sisters to this group. You all just step right up and make great things happen!

Speaking of dedication to the group, we collected enough school supplies to make over 60 goodie bags for new teachers in our three counties!! I delivered 6 bags to teachers in my school, and they were so excited and appreciative of the supplies.

As a part of ETA chapter, I am proud of our accomplishments, both individually and collectively. My heart will always be a part of Rebecha's and Cindy's walks for Alzheimer's, as my own mother continues to decline from this wretched disease, and I want to shout out their efforts for all Alzheimer's and Dementia patients. This will be my first time visiting Hospice as a part of Eta Chapter, and I know that we are all eager to share cards with the patients being served by this impressive facility and its devoted staff. I am certain this group will continue to amaze me with your dedication, knowledge, and growth in our classrooms and in our communities.

Reminders

DON'T FORGET!

Bring scissors & adhesive to our October meeting to make cards for Hospice!

A reminder from the Literacy Committee

It's not too late to support the RAPP Christmas event on December 9, 2022!

Since I've been unable to attend our meetings, Vicki Jenkins is standing in for me. She will be at the October meeting to accept any donations.

We still need a few volunteers to purchase gifts for children, aged 3 to 12. We ask that you stay within our \$25-\$30 limit for gifts to keep it equitable. Either Vicki or I will be able to provide you with the necessary information.

If you are not able to shop for a child but want to help, please consider a donation of any amount to RAPP. Any money donated will be used to purchase \$25 Walmart gift cards for children 13 and older. Should we be blessed with extra donations, we will distribute grocery gift cards to the families. Checks should be made to the order of United Way of the Panhandle (or UWEP) with RAPP noted on the memo line.

If you will not be attending the October meeting and want to help, you can send a check to United Way of the Eastern Panhandle, 24 District Way, Suite 201, Martinsburg, WV 25404.

If you are actively teaching or involved with families in any way, please consider referring any kinship caregivers to RAPP. We provide support and respite, and we welcome families to attend our programs and activities. Monthly meetings are held in Martinsburg and include a meal and activities for the children during the program for adults. Contact me with questions.

Please know how much I appreciate your generous support and prayers for our families.
